D. Background information about Mass General Brigham SCO's network pharmacies

This directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** Mass General Brigham SCO and have agreed to provide drugs to you as a member of the plan.

The drugs you get from a pharmacy are covered by Mass General Brigham SCO. This can include some over-the-counter medications and certain vitamins.

Please contact Mass General Brigham SCO Member Services at **888-816-6000** (TTY: 711), October 1– March 31, 8 a.m. to 8 p.m. ET, Monday through Sunday, and April 1– September 30, 8 a.m. to 8 p.m. ET, Monday through Friday.

Mass General Brigham SCO members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the Mass General Brigham SCO ***Member Handbook*** for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this directory.

For up-to-date information about Mass General Brigham SCO network pharmacies in your area, please visit our website at **MGBAdvantage.org/SCO** or call Member Services at **888-816-6000** (TTY: 711), October 1– March 31, 8 a.m. to 8 p.m. ET, Monday through Sunday, and April 1– September 30, 8 a.m. to 8 p.m. ET, Monday through Friday. This call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the ***Member Handbook*** and Mass General Brigham SCO's ***List of Covered Drugs***. You can find an up-to-date List of Covered Drugs online at **MGBAdvantage.org/dsnp/rx-information** or by calling Member Services at **888-816-6000** (TTY: 711), October 1– March 31, 8 a.m. to 8 p.m. ET, Monday through Sunday, and April 1– September 30, 8 a.m. to 8 p.m. ET, Monday through Friday.

D1. Types of pharmacies in Mass General Brigham SCO's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

You aren't required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-order programs. We offer a mail-order program that allows you to get up to a 100-day supply of your drugs sent directly to your home. A 100-day supply has the same copay as a one-month supply.
- 100-day retail pharmacy programs. Some retail pharmacies may also offer up to a 100-day supply of covered drugs. A 100-day supply has the same copay as a one-month supply.

E. Mass General Brigham SCO’s list of network pharmacies

This part of the directory includes a list of Mass General Brigham SCO’s network pharmacies that participate in and accept Mass General Brigham SCO. Pharmacies are listed alphabetically by county, then city/town.
