**New! Value HMO for large group employers**

# A smart way to manage costs without compromising on care

Our Value HMO product offers employers and employees a high-quality network that drives cost savings while maintaining access to many trusted hospitals and providers across Eastern Massachusetts.

## Why our Value HMO?

Value HMO gives employers a more affordable way to offer quality health coverage without sacrificing the care experience employees value most. With premium savings as compared to full-network products, it's designed to help employers sustainably manage costs while continuing to offer access to trusted providers and a strong member experience.

Members have access to Mass General Brigham hospitals, their affiliated providers, plus some of Boston's top hospitals and trusted regional care systems. The plan also includes a strong transition of care support for members changing providers.

In addition to trusted provider access, fully insured members receive many of the programs and services* employers expect from Mass General Brigham Health Plan, including:

- Care Complement**
- Lyra Health
- Rx Savings Solutions
- Women's health portfolio
- On Demand virtual urgent care
- Diabetes and Weight Management programs through Teladoc Health
- And more

### Plan highlights

- Premium savings to help sustainably manage costs
- High-quality network, including Mass General Brigham hospitals
- Exceptional service and transition of care when needed
- Value-add member programs included

*Programs listed are available to self-funded groups at an additional cost.
**Care Complement is available on the plan if it's in the plan name. It does not apply to Health Savings Account (HSA)-compliant plans.

# About the Value HMO network

## Which providers are in the Value HMO network?

The Value HMO network is designed to help ensure access to the highest quality care with the greatest value for employers and their employees. Many of the region's most respected institutions are part of our network:

- Beth Israel Deaconess Medical Center
- Boston Medical Center
- Brigham and Women's Hospital
- Lahey Hospital & Medical Center
- Massachusetts Eye and Ear Infirmary
- Mass General Brigham – Newton-Wellesley Hospital
- Mass General Brigham – Salem Hospital
- Massachusetts General Hospital
- New England Baptist Hospital
- South Shore Hospital
- And many more

Find all participating hospitals by searching our Value HMO online directory at MGBHP.org.

## Which providers do not participate in the Value HMO network?

Boston Children's Hospital, Cape Cod Health, Dana-Farber Cancer Institute, UMass Memorial Health, and Tufts Medical Center are examples of hospitals that are not in the Value HMO network.

Members will be able to receive specialty care at many leading hospitals, including the Mass General Brigham Cancer Institute at Massachusetts General Hospital, Mass General Brigham for Children at Mass General, and Mass Eye and Ear.

**IMPORTANT NOTICE:** This plan includes a limited provider network called Value HMO. It provides access to a network smaller than Mass General Brigham Health Plan's full commercial HMO provider network. With this plan, members have access to network benefits only from the providers in the Value HMO network. Please consult the provider directory at MGBHP.org to determine which providers are included in the network.

Mass General Brigham Health Plan includes Mass General Brigham Health Plan, Inc. and Mass General Brigham Health Insurance Company.
