Introduction

This booklet provides a list of Mass General Brigham Health Plan's network pharmacies for Mass General Brigham Advantage, Mass General Brigham Advantage Secure, Mass General Brigham Advantage Premier, Mass General Brigham Advantage Signature, and Mass General Brigham Advantage Group plans. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Mass General Brigham Health Plan's Medicare Advantage plan formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Mass General Brigham Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of October 1, 2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The pharmacies in this directory are listed by type of pharmacy, State, County, City, Zip Code and Pharmacy.

Mail Order Pharmacy

CVS Caremark Mail Service Pharmacy

Member Services: 1-866-209-2372

TTY/TDD: 711

- **LA** Limited access (i.e., pharmacy not available to all members)
- **EDS** Extended day supply available
- **P** Pharmacy offering preferred cost sharing
- **EP** Pharmacy supports electronic prescribing

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called CVS Caremark Mail Service Pharmacy.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto-refill program, please contact us 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Member Services at 1-866-209-2372. TTY users should call 711.

Typically, you should expect to receive your prescription drugs within 10 calendar days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at Member Services at 1-866-209-2372. TTY users should call 711.
