Introduction

This booklet provides a list of Mass General Brigham Health Plan's network pharmacies for Mass General Brigham Advantage, Mass General Brigham Advantage Secure and Mass General Brigham Advantage Premier plans. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Mass General Brigham Health Plan's Medicare Advantage plan formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Mass General Brigham Health Plan only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of October 1, 2022. For the most current list, please contact us or use our "Find a pharmacy near you" tool at MassGeneralBrighamAdvantage.org/rx-information. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The pharmacies in this directory are listed by type of pharmacy, State, County, City, Zip Code and Pharmacy.
