Introduction

This booklet provides a list of Mass General Brigham Health Plan's network pharmacies for Mass General Brigham Advantage, Mass General Brigham Advantage Secure, Mass General Brigham Advantage Premier, Mass General Brigham Advantage Signature, Mass General Brigham Advantage Group, and Mass General Brigham Medicare Group Rx plans. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Mass General Brigham Health Plan's Medicare Advantage plan or Mass General Brigham Medicare Group Rx formulary.

The pharmacies in this directory are called network pharmacies because we have contracts with them to provide prescription drugs to our members. In most cases, your prescriptions are covered under Mass General Brigham Health Plan when they are filled at a network pharmacy or through our mail-order pharmacy services. Your prescriptions can be filled at any of our network pharmacies, and you are not required to use the same network pharmacy each time. In certain limited situations, prescriptions may be covered at non-network pharmacies. These situations are explained in your Evidence of Coverage.

This pharmacy directory is current as of April 15, 2026. The information in this directory may change at any time. Not all network pharmacies may be listed. Pharmacies may have been added or removed from the network after this directory was printed. Since pharmacy participation can change, you can contact us for the most up to date information. For the latest list of network pharmacies, please visit our website at [MGBAdvantage.org](https://www.MGBAdvantage.org) or call Customer Service at **855-833-3668** (TTY 711), October 1– March 31, 8 a.m. to 8 p.m. ET, Monday through Sunday, and April 1– September 30, 8 a.m. to 8 p.m. ET, Monday through Friday.

Our plan offers a mail-order delivery program so you may have your prescription drugs shipped to your home. For more information about using mail-order pharmacy services, please see the Mail-Order Pharmacy section of this directory or contact Customer Service.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The pharmacies in this directory are listed by type of pharmacy (retail, mail order, or specialty), and then by state, county, city and zip code.
