Section 1 – Introduction

This directory addendum provides a list of Mass General Brigham's Medicare Advantage network providers whose listings have changes from the May, 2024 Provider Directory.

If you are a member of Mass General Brigham Advantage Secure (HMO-POS), you will have to choose one of our network providers listed in the directory or addendum to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Your PCP is a physician, nurse practitioner, or physician's assistant who meets state requirements and is trained to give you general medical care. You will generally see your PCP for most of your health care needs and will help arrange or coordinate the rest of the covered services you get as a plan member.

The network providers listed in this directory addendum have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory addendum.

Out-of-network providers are under no obligation to treat Mass General Brigham Medicare Advantage enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at **855-833-3668**, October 1 through March 31, seven days a week from 8:00 AM – 8:00 PM and April 1 through September 30, Monday through Friday from 8:00 AM – 8:00 PM. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

In cases where out-of-network providers submit a bill directly to you, you should **not** pay the bill. You should make a copy of the bill for your records, and submit the original to us for processing and determination of your share of the costs, if any. You may also refer to your Evidence of Coverage or call our Customer Service Department at **855-833-3668** for information on what to do.

You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

With the exception of emergencies, it may cost more to get care from out-of-network providers.

Mass General Brigham Health Plan's wait times for primary care and behavioral health services are:

- Urgently needed services or emergency—immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention—within 7 business days; and
- Routine and preventive care—within 30 business days

What is the service area for Mass General Brigham's Medicare Advantage plans?

The counties in our service area are listed below:

Bristol, Essex, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester*

*Providers in other counties are listed in this directory. Mass General Brigham Health Plan does not offer Medicare Advantage plans to individuals who reside in these counties, but providers in these additional counties participate in the provider network for our Medicare Advantage plans

How do you find Mass General Brigham Medicare Advantage providers that serve your area?

If you are looking for a PCP, follow these steps:

- Go to the "Primary care provider (PCPs)" section.
- Choose an area close to your home. Providers are listed by specialty and county/town.

If you are looking for a specialist, follow these steps:

- Go to the "Specialist" section.
- Providers are organized based on their specialty so look for the titles like "Cardiologist", "Dermatology", or "Urology"
- Under each specialty, providers are listed by county, then by town.

If you are looking for a facility, follow these steps:

- Choose the type of facility you are looking for, like Hospital or Skilled Nursing Facility (SNF).
- Under each facility, providers are listed by county, then by town.

If you have questions about Mass General Brigham's Medicare Advantage plans or require assistance in selecting a PCP, please call our Customer Service Department.

You can reach our Customer Service team
