Paying your plan premiums:

You have a choice in how to pay your monthly plan premium (including any Part D late enrollment penalty that you currently have or may owe). Please select a premium payment option below:

- Get a bill monthly.
- Set up automatic withdrawal from your checking or savings account or automatic charge to your credit card.
- You can also choose to pay your premium by having it automatically taken out of your Social Security benefit or Railroad Retirement Board (RRB) benefit each month. The Social Security deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. DON'T pay *Mass General Brigham Health Plan* the Part D-IRMAA.

You can see our plan's provider and pharmacy directory at our website **MGBAdvantage.org**.

- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, and Catastrophic Coverage.

Mass General Brigham Advantage Health Plan is an HMO-POS/PPO plan with a Medicare contract. Enrollment in Mass General Brigham Advantage Health Plan depends on contract renewal.

This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits, premiums and/or copayments/coinsurance may change on January 1 of each year.

You must continue to pay your Medicare Part B premium.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Out-of-network/non-contracted providers are under no obligation to treat Mass General Brigham Health Plan members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service number or see your "Evidence of Coverage" for more information, including the cost-sharing that applies to out-of-network services.

Who can join?

To join **Mass General Brigham Advantage (PPO)**, **Mass General Brigham Advantage Premier (PPO)** and **Mass General Brigham Advantage Signature (PPO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and you must live in our service area. The service area for Mass General Brigham Advantage (PPO), Mass General Brigham Advantage Premier (PPO) and Mass General Brigham Advantage Signature (PPO) includes the following counties in Massachusetts: Bristol, Dukes, Essex, Middlesex, Nantucket, Norfolk, Plymouth, Suffolk and Worcester.

Which doctors, hospitals, and pharmacies can I use?

Mass General Brigham Advantage (PPO), **Mass General Brigham Advantage Premier (PPO)** and **Mass General Brigham Advantage Signature (PPO)** have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, you may pay more.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website at MGBAdvantage.org.

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

We cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, MGBAdvantage.org.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, and Catastrophic Coverage.

If you have any questions about this plan's benefits or costs, please contact Mass General Brigham Health Plan

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have questions, you can call and speak to a sales representative.

You can reach our Sales team by calling: **888-828-5500** (TTY: 711)

October 1 – March 31, 8:00 a.m. to 8:00 p.m. ET, Monday through Sunday

April 1 – September 30, 8:00 a.m. to 8:00 p.m. ET, Monday through Friday

Understanding the benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **MGBAdvantage.org** or call **888-828-5500** (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding important rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
