Overview

Sunosi is indicated to improve wakefulness in adult patients with excessive daytime sleepiness associated with narcolepsy or obstructive sleep apnea (OSA).

Coverage Guidelines

Authorization may be granted for members new to the plan within the last 90 days who are currently receiving treatment with the requested medication and are stable, excluding when the product is obtained as samples or via manufacturer's patient assistance programs

OR

Authorization may be granted when all of the following criteria are met:

1. The member is 18 years of age or older
2. The member will use Sunosi for ONE of the following:
 - a. Improve wakefulness in those with excessive daytime sleepiness associated with narcolepsy **OR**
 - b. Obstructive sleep apnea (OSA)
3. The member has had previous trial, inadequate response or contraindication to ONE of the following:
 - a. armodafinil
 - b. modafinil

Continuation of Therapy

Reauthorization requires physician documentation of improvement of member's condition.

Limitations

Authorizations will be approved for 12 months
