Overview
Cibinqo (abrocitinib) is a Janus kinase (JAK) inhibitor indicated for the treatment of adult and pediatric patients 12 years of age and older with refractory, moderate-to-severe atopic dermatitis whose disease is not adequately controlled with other systemic drug products, including biologics, or when use of those therapies is inadvisable.

Coverage Guidelines
If member is new to the plan (as evidenced by coverage effective date of less than or equal to 90 days), submission of medical records documenting that the member is currently receiving treatment with the requested drug, excluding when the product is obtained as samples or via manufacturer's patient assistance programs
OR
Authorization may be granted for members when all the following criteria are met:

1. Member is 12 years of age or older
2. Diagnosis of refractory, moderate to severe atopic dermatitis
3. Affected body surface is greater than or equal to 10% body surface area OR crucial body areas (e.g., hands, feet, face, neck, scalp, genitals/groin, intertriginous areas) are affected.
4. Member has had trial and failure of a minimum 30-day supply (14-day supply for topical corticosteroids), intolerance, or contraindication to at least ONE of the following:
    a. Medium or higher potency topical corticosteroid
    b. Pimecrolimus cream
    c. Tacrolimus ointment
    d. Eucrisa
5. Trial and failure, intolerance, or contraindication with at least one of the following:
    a. Adbry
    b. Dupixent
    c. Ebglyss

<u>Continuation of Therapy</u>
Requests for reauthorization will be approved when all of the following criteria are met:

1. Submission of medical records (e.g., chart notes) supporting a clinical improvement in the member's condition, as evidenced by low disease activity (e.g., clear or almost clear skin), or improvement in signs and symptoms of atopic dermatitis (e.g., redness, itching, oozing/crusting)

Limitations

1. Initial authorizations will be granted for 6 months
2. Reauthorizations will be granted for 12 months
3. The following quantity limits apply:
