| Important Questions | Answers | Why This Matters |
|---|--|---|
| What is the overall <u>deductible</u>? | \$3,000/Individual, \$6,000/Family per benefit period. | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the policy, they have to meet their own individual <u>deductible</u> until the overall family <u>deductible</u> amount has been met. |
| Are there services covered before you meet your <u>deductible</u>? | Yes. Preventive care, most outpatient visits (including mental/behavioral health and substance use disorder), prescription drug coverage, and urgent care does not apply towards the deductible. | This plan covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your <u>deductible</u> . See a list of covered preventive services at MassGeneralBrighamHealthPlan.org . |
| Are there other <u>deductibles</u> for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u>? | \$9,100/Individual, \$18,200/Family per benefit period. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the <u>out-of-pocket limit</u>? | Premiums and health care this plan doesn't cover. | Even though you pay these expenses, they do not count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u>? | Yes. For a list of in-network providers, see MassGeneralBrighamHealthPlan.org or call 866-414-5533. | If you use an in-network doctor or other health care provider, this plan will pay some or all of the costs of covered services. Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u>? | Yes. | This plan will pay some or all of the costs to see a specialist for covered services but only if you have the plan's permission before you see the specialist. |
