Important Questions	Answers	Why This Matters
What is the overall deductible?	\$3,000/Individual, \$6,000/Family per benefit period.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the policy, they have to meet their own individual <u>deductible</u> until the overall family <u>deductible</u> amount has been met.
Are there services covered before you meet your deductible?	Yes. Preventive care, most outpatient visits (including mental/behavioral health and substance use disorder), and urgent care does not apply towards the deductible.	This plan covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your <u>deductible</u> . See a list of covered preventive services at MassGeneralBrighamHealthPlan.org .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	\$9,450/Individual, \$18,900/Family per benefit period.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums and health care this plan doesn't cover.	Even though you pay these expenses, they do not count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. For a list of in-network providers, see MassGeneralBrighamHealthPlan.org or call 855-833-2496.	If you use an in-network doctor or other health care provider, this plan will pay some or all of the costs of covered services. Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have the plan's permission before you see the specialist.

Important Information About This Plan

This plan includes a limited tiered provider network called Allies Choice HMO. This plan provides access to a network that is smaller than Mass General Brigham Health Plan's full commercial HMO provider network. In this plan, members have access to network benefits only from the providers in the Allies Choice HMO network and pay different levels of Copayments, Coinsurance, and/or Deductibles depending on the tier of the provider delivering a covered service or supply. This plan may make changes to a provider's benefit tier annually on January 1. Please consult the provider directory or visit the provider search tool at MassGeneralBrighamHealthPlan.org to determine which providers are included and tiered in the Allies Choice HMO network.
