**Important Questions** | **Answers** | **Why This Matters**
--- | --- | ---
**What is the overall deductible?** | **In Network:** $2,500/Individual, $5,000/Family per benefit period. **Out of Network:** $5,000/Individual, $10,000/Family per benefit period. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, they have to meet their own individual deductible until the overall family deductible amount has been met.

**Are there services covered before you meet your deductible?** | Yes. In-Network Preventive care, most outpatient visits (including mental/behavioral health and substance use disorder), and urgent care does not apply towards the deductible. | This plan covers some items and services even if you haven’t yet met the annual deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at MassGeneralBrighamHealthPlan.org.

**Are there other deductibles for specific services?** | No. | You don’t have to meet deductibles for specific services.

**What is the out-of-pocket limit for this plan?** | **In Network:** $9,450/Individual, $18,900/Family per benefit period. **Out of Network:** $18,900/Individual, $37,800/Family per benefit period. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.

**What is not included in the out-of-pocket limit?** | Premiums, Out-of-Network penalties for failure to obtain prior authorization, Out-of-Network charges above the allowed amount, and health care this plan doesn’t cover. | Even though you pay these expenses, they do not count toward the out-of-pocket limit.

**Will you pay less if you use a network provider?** | Yes. For a list of in-network providers, see MassGeneralBrighamHealthPlan.org or call 866-414-5533. | This plan uses a provider network. You will pay less if you use a provider in the plan’s network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider’s charge and what your plan pays (a balance bill). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

**Do you need a referral to see a specialist?** | No. | You can see the specialist you choose without a referral.
