For Individuals and Small Group Employers

This health plan meets Minimum Creditable Coverage standards and will satisfy the individual mandate that you have health insurance. Please see the last page for additional information.

Schedule of Benefits

This Schedule of Benefits is a general description of your coverage as a member of Mass General Brigham Health Plan. For more information about your benefits, log into Member.MassGeneralBrighamHealthPlan.org to see your plan documents and get personalized information about your plan or call Customer Service at 866-414-5533 (TTY 711).

There are two levels of coverage associated with this Plan: In-Network coverage and Out-of-Network coverage. In-Network coverage applies when you use a Preferred (In-Network) Provider to obtain Covered Services. To access the Complete PPO Plus Provider Directory, visit MassGeneralBrighamHealthPlan.org or call Customer Service.

Out-of-Network coverage applies when you use a Non-Preferred (Out-of-Network) Provider that is not contracted with the Complete PPO Plus network to obtain Covered Services. When using Out-of-Network Providers, the Plan pays only a percentage of the cost of the care you receive up to the Allowed Amount for the service. (Please see your Member Handbook for information on how the Allowed Amount is determined by Mass General Brigham Health Plan.) If an Out-of-Network Provider charges any amount in excess of the Allowed Amount, you are responsible for the excess amount.

All covered services must be medically necessary and some may require Prior Authorization. For a full list of medical and surgical services that require a Prior Authorization, please go to MassGeneralBrighamHealthPlan.org, or call Customer Service. Please visit this site often as services can be added and updated to the list at any time. Your Member Handbook may also include additional coverage and/or exclusions not listed on the Schedule of Benefits.

If you have non-group coverage, your benefit period resets on January 1. If you are enrolled through employer sponsored group coverage, your benefit period resets on your employer's anniversary date.

Copayments, Coinsurance, or Deductibles Required for Certain Services
Before coverage begins for certain services, you pay a deductible each benefit period. Your Plan deductible is an amount you pay for certain services each benefit period. For some services, after the deductible is satisfied, members may be required to pay a copayment and/or coinsurance before coverage begins.

All members are responsible for the individual deductible per benefit period. Family member's deductible payments contribute toward the family deductible per benefit period. The family deductible can be satisfied by combining the deductibles paid for by covered family members. Each family member's contribution will not exceed the amount set for an individual deductible.

All medical, dental, behavioral health, and prescription drug amounts paid apply toward the out-of-pocket maximum. Once the individual out-of-pocket maximum is satisfied, these services are covered for the member in full through the remainder of the benefit period. The family out-of-pocket maximum is satisfied by combining the copayments, coinsurance and deductible amounts paid by covered family members. Once the family out-of-pocket maximum is satisfied, these services are covered for all family members in full through the remainder of the benefit period.

Preventive Care Services

Examples of conditions requiring urgent care include, but are not limited to, fever, sore throat or an earache.

Emergency Care
In an emergency, go to the nearest emergency facility, or call 911. Please refer to this Schedule of Benefits for your cost sharing amounts. If you need follow-up care after you are treated in an emergency room, you must get care from an In- Network Provider for coverage to be provided at the In-Network coverage level. If you are admitted to the hospital from an emergency visit, you or the attending physician must call the Plan at 866-414-5533 within 24 hours. This telephone number can also be found on your Member ID card.

Utilization Review Program
The Utilization Review standards Mass General Brigham Health Plan uses were created to assure our members consistently receive high quality, appropriate medical care. To determine coverage, specific criteria are used to make Utilization Review decisions. These criteria are developed by physicians and meet the standards of national accreditation organizations. As new treatments and technologies become available, we update our Utilization Review standards annually.

To make utilization decisions the health plan conducts prospective, concurrent, and retrospective reviews of the health care services our members use.

Initial Determination *(Prospective Review or Prior Authorization)*
Prior Authorization determines in advance if a procedure or treatment either you or your doctor is requesting is both medically appropriate and medically necessary. Members are required to obtain Prior Authorization from Mass General Brigham Health Plan for certain services. Before you receive services from an Out-of-Network Provider, please refer to our website, MassGeneralBrighamHealthPlan.org, or contact Customer Service at 866-414-5533 for a list of Out-of- Network services that require Prior Authorization.

Concurrent Review
During the course of treatment, such as hospitalization, concurrent review monitors the progress of treatment and determines for how long it will be deemed medically necessary.

Retrospective Review
After care has been provided, we review treatment outcomes to ensure that the health care services provided to you met certain quality standards.

Care Management
When members have a severe or chronic illness or condition, they may qualify for Care Management. Care managers work one-on-one with members and their providers to find the most appropriate and cost-effective ways to manage a condition. Together, a treatment plan that best meets the member's needs is developed with the goal of promoting patient education, self-care, and providing access to the right kinds of health care services and options.

To learn more about Utilization Review or Care Management at Mass General Brigham Health Plan, please refer to your Member Handbook or call Customer Service.

Services or supplies that Mass General Brigham Health Plan does not cover include: Benefits from other sources; Diet foods; Educational testing and evaluations; Massage therapy; Personal comfort items; Reversal of Voluntary Sterilization.
