| <b>What is the overall deductible?</b>                             | <b>In Network:</b> \$3,500/Individual, \$7,000/Family per benefit period.<br><b>Out of Network:</b> \$7,000/Individual, \$14,000/Family per benefit period.                     | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .                                                                    |
| <b>Are there services covered before you meet your deductible?</b> | Yes. In-Network Preventive care, most outpatient visits (including mental/behavioral health and substance use disorder), and urgent care does not apply towards the deductible. | This plan covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="http://MassGeneralBrighamHealthPlan.org">MassGeneralBrighamHealthPlan.org</a> .                                              |
| <b>Are there other deductibles for specific services?</b>          | No.                                                                                                                                                                             | You don't have to meet <u>deductibles</u> for specific services.                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>What is the out-of-pocket limit for this plan?</b>              | <b>In Network:</b> \$10,000/Individual, \$20,000/Family per benefit period.<br><b>Out of Network:</b> \$20,000/Individual, \$40,000/Family per benefit period.                  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.                                                                                                                                                                                                  |
| <b>What is not included in the out-of-pocket limit?</b>            | Premiums, Out-of-Network penalties for failure to obtain prior authorization, Out-of-Network charges above the allowed amount, and health care this plan doesn't cover.         | Even though you pay these expenses, they do not count toward the <u>out-of-pocket limit</u> .                                                                                                                                                                                                                                                                                                                                                                      |
| <b>Will you pay less if you use a network provider?</b>            | Yes. For a list of in-network providers, see <a href="http://MassGeneralBrighamHealthPlan.org">MassGeneralBrighamHealthPlan.org</a> or call 866-414-5533.                       | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (a balance bill). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| <b>Do you need a referral to see a specialist?</b>                 | No.                                                                                                                                                                             | You can see the specialist you choose without a referral.                                                                                                                                                                                                                                                                                                                                                                                                          |
