| Important Questions | Answers | Why this Matters: |
|---|--|--|
| What is the overall <u>deductible</u>? | \$500 Individual, \$1,000 Family per benefit period. For outpatient surgery, inpatient care and emergency services, this plan requires a copayment to be paid prior to the deductible. | Generally, you must pay a copayment and then costs up to the deductible to providers for most services with a deductible. If you have other family members on the policy, they have to meet their own individual deductible until the overall family deductible has been met. |
| Are there services covered before you meet your <u>deductible</u>? | Yes. Preventive care, most outpatient visits (including mental/behavioral health and substance use disorder), and urgent care does not apply towards the <u>deductible</u> . | This plan covers some items and services even if you haven't met the annual deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at MassGeneralBrighamHealthPlan.org . |
| Are there other <u>deductibles</u> for specific services? | Yes. \$100 Individual, \$200 Family for prescription drugs per benefit period. Prescription drug coverage is administered through CVS Caremark. | You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u>? | \$5,000 Individual/ \$10,000 Family per benefit period. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If family members in this plan, they have to meet their own out-of-pocket limits until family out-of-pocket limit has been met. |
| What is not included in the <u>out-of-pocket limit</u>? | Premiums and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u>? | Yes. For a list of <u>in-network providers</u> , see MassGeneralBrighamHealthPlan.org or call 866-567-9175. | If you use a network doctor or other health care <u>provider</u> , this plan will pay some or all of the costs of covered services. Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a <u>specialist</u>? | Yes. | This plan will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have the plan's permission before you see the <u>specialist</u> . |

Copayments and coinsurance costs shown in this chart are either before or after your deductible has been met, if a deductible applies.
