

Pediatric dental is included with individual and small group plans

Our small group and individual plans include pediatric dental coverage provided by Delta Dental of Massachusetts, making them fully ACA compliant. Members are covered through the month they turn 19. Please check your Schedule of Benefits for details. To find a participating provider, visit MassGeneralBrighamHealthPlan.org.

Benefit Category	Cost Sharing
Preventive and diagnostic (oral exams, X-rays, cleanings)*	No member cost sharing
Basic restorative (fillings, root canal treatment)*	25% coinsurance
Major restorative (dentures, crowns)*	50% coinsurance
Orthodontic services (medically necessary)*	50% coinsurance

* Deductible plans apply deductible before coinsurance. HSA plans always apply deductible to all services including preventive, per IRS requirements.

Service	Frequency
Oral exams, cleanings, fluoride	2x per year
Other major and minor dental care, including crowns, root canals, extractions, fillings, etc.	Limitations apply depending on the procedure
Medically necessary orthodontia for specific medical conditions	Once per lifetime
